

FREE INTERNET

iGo has completed several Hotspots to provide FREE Internet service in light of the Coronavirus Pandemic. This is a FREE service to individuals needing internet service during this time who does not have service available at their home for education and work. This service simply allows users to remain in their vehicles for social distancing.

The way to access the Internet is to tap on "iGo Free" wireless network that appears. Below are the Hotspot locations:

Claypool Hill, VA - Victory Christian Fellowship Church (above K-Mart)

Cleveland, VA - (Old Cleveland Elementary School)

Drill, VA - (Drill Community Center)

Grundy, VA - iGo Technology Office Location (Grundy Plaza)

Honaker, VA - McFaddin Associates (near Dollar General Store)

Hansonville/Mountain Meadows, VA - (Old Mitchell Furniture Building)

This is a temporary service being provided during the COVID-19 pandemic.
