iGo Technology, Inc. is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the iGo Technology, Inc. website and governs data collection and usage. By using the iGo Technology, Inc. website, you consent to the data practices described in this statement.

### *Collection of your Personal Information*

iGo Technology, Inc. collects personally identifiable information, such as your email address, name, home or work address or telephone number. iGo Technology, Inc. also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

Information about your computer hardware and software is also automatically collected by iGo Technology, Inc.. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by iGo Technology, Inc. for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the iGo Technology, Inc. website.

iGo Technology, Inc. encourages you to review the privacy statements of websites you choose to link to from iGo Technology, Inc. so that you can understand how those websites collect, use and share your information.

iGo Technology, Inc. is not responsible for the privacy statements or other content on websites outside of the iGo Technology, Inc. website.

### *Use of your Personal Information*

iGo Technology, Inc. collects and uses your personal information to operate the iGo Technology, Inc. website and deliver the services you have requested. iGo Technology, Inc. may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

iGo Technology, Inc. does not sell, rent or lease its customer lists to third parties. iGo Technology, Inc. may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (email, name, address, telephone number) is not transferred to the third party. In addition, iGo Technology, Inc. may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to iGo Technology, Inc., and they are required to maintain the confidentiality of your information.

iGo Technology, Inc. does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent. iGo Technology, Inc. keeps track of the websites and pages our customers visit within iGo Technology, Inc., in order to determine what iGo Technology, Inc. services are the most popular. This data is used to deliver customized content and advertising within iGo

Technology, Inc to customers whose behavior indicates that they are interested in a particular subject area.

iGo Technology, Inc websites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on iGo Technology, Inc or the site; (b) protect and defend the rights or property of iGo Technology, Inc; and, (c) act under exigent circumstances to protect the personal safety of users of iGo Technology, Inc, or the public.

#### *Use of Cookies*

The iGo Technology, Inc. website uses “cookies” to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a webpage server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize iGo Technology, Inc. pages, or register with iGo Technology, Inc. site or services, a cookie helps iGo Technology, Inc to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same iGo Technology, Inc. website, the information you previously provided can be retrieved, so you can easily use the iGo Technology, Inc. features that you customized.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the iGo Technology, Inc services or websites you visit.

#### *Security of your Personal Information*

iGo Technology, Inc. secures your personal information from unauthorized access, use or disclosure. iGo Technology, Inc. secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

#### *Changes to this Statement*

iGo Technology, Inc. will occasionally update this Statement of Privacy to reflect company and customer feedback. iGo Technology, Inc. encourages you to periodically review this Statement to be informed of how iGo Technology, Inc. is protecting your information.

#### *Contact Information*

iGo Technology, Inc. welcomes your comments regarding this Statement of Privacy. If you believe that iGo Technology, Inc. has not adhered to this Statement, please contact iGo Technology, Inc. at [info@igotechnology.com](mailto:info@igotechnology.com). We will use commercially reasonable efforts to promptly determine and remedy the problem.

## **NOTIFICATION OF CHANGES TO THIS POLICY**

**iGo Technology, Inc. reserves the right to modify this Notice at any time. If we change our CPNI Policy, we will post those changes on <http://www.igotechnology.com>. If you find the changes unacceptable, you have the right to cancel your Services. If you continue to use your Services after receiving notice of such changes, we will consider that as your acceptance of the changes.**

**Notice and Policy Effective 3/1/2019**
